MODA

MODA

MODA is Portuguese word, which means Modern and Fashion.

Now MODA is the latest new product of Bittel Designed by Jacob Jensen, which means Modern, Modular and Stylish. MODA combines the unique design and many good & useful features in one.

JACOB JENSEN

The Scandinavian designer Jacob Jensen established his studio in 1958 and over the followed decades created the revolutionary, pure and now classic form language which made him one of the world's most recognized designers.

BITTEL

Bittel is a rapidly growing provider of innovative technology solutions for the global hospitality industry.

Bittel's products are known for the reliability & groundbreaking designs and good features, which are installed in tens of thousands of hotels around the world.

Bittel MODA consists of modules, each of which handles its different tasks.

Simply select up to six modules from the range to create your perfect phone, and then add wireless or wired handphone.

CHARGER MODULE

- Convenient charging cables magnetically attached for Apple and USB-C devices
- 2 USB ports (5V, 2.1A)
- 1 USB-C port (5V, 2.1A)

Optional

- HDMI input for laptop or gaming console (for Media Cast configuration)

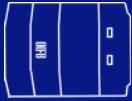

Need a wireless charging solution in your hotel's guestrooms?
Try MODA Speakerphone Module!
